

## ParaQuad and BrightSky Workshop Series 2010

The ParaQuad and BrightSky Workshop Series 2010 is a comprehensive program of workshops for healthcare professionals and carers. The workshops can also be tailored and delivered to groups according to specific needs. BrightSky's clinical product application workshops attract RCNE points as part of the Royal College of Nursing Australia's Lifelong Learning program (3LP).

The calendar below provides an overview of workshops available in 2010. A comprehensive brochure with detailed information and a registration form can be obtained by calling 1300 88 66 01, emailing [info@brightsky.com.au](mailto:info@brightsky.com.au) or by downloading a copy from [www.brightsky.com.au](http://www.brightsky.com.au) or [www.paraquad.org.au](http://www.paraquad.org.au). A workshop for Occupational Therapists will be conducted by ParaQuad during 2010. BrightSky will run a clinical product application workshop in Wound care for Epidermolysis Bullosa and a full day seminar in General continence assessment and management. Dates to be advised.
